

calerase

get sandal-ready with *calerase*

Are you keeping your calloused, dry and cracked skin under cover? Let DMK *calerase* crème help unveil a silkier and softer you.

calerase crème can help to rid your skin of unsightly, rough and thickened areas on your body by working in two special ways.

Firstly, *calerase* crème aids in exfoliating rough areas, helping to shed those scaly spots and give you sumptuous, silken skin. Secondly, wheat germ oil assists in nourishing new skin cells, to prevent calluses from returning to haunt you.

Wave goodbye to callused elbows, knees, feet and hands!

Tip: *calerase* is even great for dealing with pesky ingrown hairs.
