

deep pore pure

for a truly deeper clean

deep pore cleanser is a water based foaming cleanser made from botanical and herbal extracts. This non-alkaline cleanser uses its herbal properties to loosen and lift away impurities caused by dead cells, excess sebum and make-up residue.

Without the need for abrasive granules and harsh scrubbing (which can often cause unnecessary oil production) *deep pore pure* is a gentle Lauryl, Laureth Sulfate, artificial colourant and Paraben free cleanser.

Key ingredients:

- *White oak bark extract* is a natural foaming agent that deeply cleanses the skin and loosens debris which may block the pores.
- *Lemon oil* and *orange oil* brighten the complexion and works to balance the skin's pH and control excess oil.
- *Yucca schidigera extract* is a natural cleansing herb that facilitates the skin to expel impurities. It is also an effective astringent, which aids in keeping the pores tight.
- *Panthenol*, *allantoin* and *aloe* work to cool and soothe as well as provide the skin with a mild antiseptic.

Discover a brighter, smoother looking complexion with *deep pore pure* cleanser.

Recommended Retail Price: \$29.00 (60mL)
 \$68.50 (180mL)
