

fine line crème

revise your lines

fine line crème is a hydrating crème designed to smooth fine lines and revise the visible signs of ageing.

Providing your skin with a fresh, supple, youthful appearance, *fine line crème* also aims to revise the tissue while retaining maximum moisture.

Formulated with a rich blend of apricot and avocado pulp, along with corn oil, this crème contains a rich source of vitamins and nutrients to help support even the most stubborn areas. *fine line crème* can be used on the neck, upper lip or any area where fine lines are present.
