

herbal pigment oil

say goodbye to dark circles

herbal pigment oil aims to revise the appearance of pigmented areas such as dark circles underneath and around the eyes. *herbal pigment oil* can also be used to help lighten dark patches on the knees and elbows as well as scars that have darkened in the sun.

Apart from working to even skin tone, *herbal pigment oil* is also a superior lip nourishing oil that can smooth and lubricate dry lips in one application. Unlike other lip creams and balms, *herbal pigment oil* contains skin lightening properties that work to lighten and brighten stained lips.

herbal pigment oil can be applied to:

- Scar tissue
- Pigmentation on the body
- Dark patches on the knees and elbows
- Hypertrophic scars
- Raised, pigmented scars
- Dark circles around the eyes
- Dry scaly areas
- Lips.
