

melanoplex crème

even-it-out with *melanoplex*

Used to revise hyper-pigmentation, *melanoplex crème* is recommended for those with darker skin, as well as those who are genetically inclined to pigmentation.

A blend of natural oils and kojic acid – known for its skin brightening capabilities, *melanoplex crème* also aims to help balance unevenness on dry and ageing skin.

Apply morning and night with *herb & mineral mist* over DMK serums, nourishing crèmes and oils.

Recommended Retail Price: \$109 (30mL)
