

red vein crème

put the fire out with *red vein crème*

A combination of plant-based active ingredients, *red vein crème* aims to assist in revising redness and bruising in the skin.

Ingredient:

- *Niacin* Part of the B group of vitamins, niacin contains nicotinic acid which aids tissue oxygenation through increased blood flow. This leads to the strengthening and regenerating of the weakened capillary walls (involuntary muscle).

red vein crème aims to revise the appearance of:

- Visible redness
- Spider & thread veins
- Reddening and flushing.

Recommended Retail Price: \$81.00 (15mL)
