solar damage gel

revise sun-damaged skin

This gel formulation aims to provide the skin with a diet of skin supporting nutrients.

This specialised gel moisturiser is formulated to revise deficiencies in the skin's essential elements; *solar damage gel* aims to enhance the natural water barrier and defences of the skin.

Suitable for skin that has been compromised by age, harmful ultra violet rays, climatic conditions and external aggravation, *solar damage gel* is designed to enhance the skin's ability to retain moisture, promote efficient respiration, transpiration and hydration.

Key benefits:

- Helps strengthen the natural water barrier and defences of the skin
- Revises skin that has been punished by the sun and other environmental factors
- Helps to protect against free radical attack.

Recommended Retail Price:	$35.00 (60mL) $92.00 (180mL)
